VS.	§	CRIMINAL ACTION NO. 2:13-CR-779
	§	
JULIAN DAVID GONZALEZ	§	

ORDER ACCEPTING GUILTY PLEA

Now before the Court is the Findings and Recommendation of the United States Magistrate Judge Jason B. Libby containing his recommendation (1) that this Court adopt his findings that the Defendant's guilty plea in the above-styled and numbered cause was knowingly and voluntarily entered, with a full understanding of the consequences of the plea and the constitutional rights being waived, and that the plea was supported by an adequate basis in fact; (2) that the Court accept the Defendant's guilty plea; and (3) that the Court adjudge the Defendant guilty of the offense charged in Count One of the Indictment. (D.E. 17.)

On September 30, 2013, the Magistrate Judge, by designation and referral of this Court (pursuant to the authority of 28 U.S.C. § 636(b)(3) and this Court's standing order of referral) and with the consent of the parties, conducted the re-arraignment and guilty plea colloquy of the Defendant, Julian David Gonzalez. The Indictment charged the Defendant with having committed the following offense:

On or about August 5, 2013, in the Corpus Christi Division of the Southern District of Texas and elsewhere within the jurisdiction of the Court, Defendant,

Julian David Gonzalez,

did knowingly and in reckless disregard of the fact that Miguel Angel Narvaez-Galvan was an alien who had come to, entered, and remained in the United States in violation of law, transport and move such alien within the United States in furtherance of such violation of law by means of a motor vehicle.

In violation of Title 8, United States Code, Sections 1324(a)(1)(A)(ii) and 1324(a)(1)(B)(ii).

(D.E. 7.) After being placed under oath and advised of the charge against him, as well as his right to a jury trial and the consequences of entering a plea of guilty, the Defendant entered a plea of guilty to Count One of the Indictment.

More than fourteen days have passed since the parties, respectively, were served with the Magistrate Judge's Findings and Recommendation, and no party has filed objections. The Court regards such omission as the parties' agreement with and acceptance of the Magistrate Judge's findings. When no timely objection to a magistrate judge's findings and recommendation is filed, the district court need only satisfy itself that there is no clear error on the face of the record and accept the magistrate judge's findings and recommendation. *Guillory v. PPG Industries, Inc.*, 434 F.3d 303, 308 (5th Cir. 2005) (citing *Douglass v. United Services Auto Ass'n*, 79 F.3d 1415, 1420 (5th Cir. 1996)); *United States v. Rivas*, 85 F.3d 193, 194 (5th Cir. 1996).

In the case at hand, the Court is of the opinion that the Magistrate Judge's Findings and Recommendation is supported by the record and that there is no clear error. Furthermore, the Court finds that the Defendant, Julian David Gonzalez, is fully competent and capable of entering an informed plea; that he is aware of the nature of the

charge made against him, the consequences of his plea, and the nature of the constitutional rights that he is waiving; that his plea of guilty is a knowing and voluntary plea that did not result from force, threats, or promises (other than promises in a plea agreement); and that it is supported by an independent basis in fact containing each of the essential elements of the offense with which he is charged.

THEREFORE, the Court **ADOPTS** the Magistrate Judge's findings as its own, **ACCEPTS** Defendant's plea of guilty, and **ADJUDGES** the Defendant, Julian David Gonzalez, guilty as charged in Count One of the Indictment.

ORDERED this 21st day of October, 2013.
